## AUTO-DARKENING WELDING HELMET CLIMAX 420

- Climax 420 electronic welding mask with variable shading DIN 4/ 9-13
- Filter size 110mm X 90mm and field of view 95 X 45mm
- Switching speed <math><0.5\text{ms}</math>
- Delay 0.25 – 0.8 sec (adjustable setting at user's choice)
- Infrared transmittance <math><0.01\%</math> ( 780 – 2000 nm wavelength)
- UV transmittance <math><0.0001\%</math> ( 210 – 365 nm wavelength)
- Adjustable sensitivity and delay
- Rechargeable battery, built into the mask
- Operating range -5 + 70 degrees Celsius.
- Weight 430 g.
