

P80

CE EN 60974-7

Gas: Air Duty Cycle: 60% 80Amp

Gas Pressure: 4.5-5.0Bar

Gas Flow: 220LPM Post Flow: 80sec.recommended

Code	Product Description
1	Cutting Torch P80, 5M , 10MM ²
2	Cutting Torch P80, 5M , 8MM ²
3	Cutting Torch P80, 10M , 6MM ²

P80

Main characteristics

A new design, together with an improved ergonomic handle, makes use more relaxing.

Motors suitable for cutting torches are designed and manufactured for samples.

Reduce the thickness of insulation materials without reducing safety factors.

No.	Code	Product Description
